A LETTER FROM OUR EXECUTIVE DIRECTOR

Dear Community Partner,

For nearly two decades, No Boundaries Coalition (NBC) has stood with the residents of Central West Baltimore — a resident-led advocacy organization working through training, education, and base building to deconstruct physical and imagined barriers, and to empower residents to lead and live sustained community transformation across the Sandtown, Druid Heights, Upton, Madison Park, Penn North, Reservoir Hill, and Bolton Hill neighborhoods.

Each year, we invite the local businesses and institutions who share our commitment to this community to join our Annual Giving Campaign as a sponsor. Your partnership directly fuels our core programs — Civic Culture & Engagement, Youth Organizing & Development, Health & Food Justice, and Community Organizing & Engagement — throughout the year.

This year's campaign culminates at our 2026 Annual Fundraiser: A 1920's Social: Stepping into our 20th year, on Tuesday, December 8, 2026. It's a night of community, culture, and collective impact as we honor the people who started this work 20 years ago. We would be honored to celebrate it with you standing beside us as a sponsor.

Whether your business is able to join us as a Headliner Sponsor or a Community Ally, every level of support makes a meaningful difference for our neighbors. Thank you for considering a partnership with No Boundaries Coalition — we can't wait to build together.

With gratitude,

Ashiah S. Parker

Executive Director, No Boundaries Coalition

OUR MISSION & COMMUNITY

Through training, education, and base building, we deconstruct physical and imagined barriers in Central West Baltimore, thereby empowering residents to lead and live sustained community transformation.

Who We Are

No Boundaries Coalition is a resident-led advocacy organization serving the families and communities of Central West Baltimore's 21217 zip code — trusted across seven neighborhoods: Sandtown, Druid Heights, Upton, Madison Park, Penn North, Reservoir Hill, and Bolton Hill.

Our Core Program Areas

Civic Culture & Engagement — building grassroots political power and informed civic engagement because the people closest to the issues should have a meaningful role in shaping the solutions.

Health & Food Justice — expanding equitable food access, providing workforce development, and offering health resources all in one neighborhood location, Fresh at the Avenue.

Community Organizing & Engagement — offering residents opportunities to organize around transportation, housing, public safety, environmental justice, elections, and the future of their neighborhoods.
